

Do you have a
PET
FRIENDLY
Business?

TAKE 5 Newsmagazine is partnering with the **Ladysmith & District Chamber of Commerce** to identify “pet-friendly” shops and businesses in the area.

An article in **TAKE 5 print and digital editions** will run about this topic and we will provide a decal for shops to post in storefronts and on social media.

Too many shoppers risk the well-being of their pet and leave them in the car or go home without taking the time to shop locally. We want to promote local shopping as well as providing a safe environment for pets in our community.

We would like to see wide participation from the business community. Even if you don't allow pets inside your business do you have a deck or do you put out a bowl of fresh water or have doggy treats for your customers' companions?
