

Good day, the Order of The Eastern Star, part of the Masonic Fraternal family in Ladysmith, has joined with the Ladysmith Museum to help bring awareness to hunger in our community.

Together we are sponsoring A ZOMBIE WALK for HUNGER on October ~~14th~~ 13th

We are asking that participants bring non-perishable food item, which when collected will be donated to the Ladysmith Food Bank. In today's world there are many families and single folks struggling to put food on the table. Our organization along with the Ladysmith Museum want to do our part for the community in making this a day of awareness to the needs of our neighbors.

We are spreading the word about this event and ask that you consider helping by putting a poster in your window to get our message out.
